EDUCATION

Northwest Missouri State University

Maryville, Missouri

Attended NWMSU from fall of 1990 through spring of 1995 working towards a degree in Computer Science.

The courses I am lacking for the BS degree include Calculus II, other Calculus based courses, and Literature. I completed all required classes in the Computer Science Department in order to complete my degree.

Activities included: President of the Northwest Cycling Club for two consecutive school years. Officer in the Chi Phi Chi non-alcoholic, coed fraternity. ACM — Association for Computing Machinery.
